## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-7, and 9 are rejected under 35 U.S.C. 102(b) as being anticipated by Chang et al (US 5,419,766). Chang et al discloses an apparatus comprising a needle cannula having a distal point, a tip protector having a base, means coupled to the tip protector, a gasket coupled to the tip protector base, means coupled to the needle cannula shaft impeding movement of the tip protector, a flash chamber, a tab, a crimp (Figures 2c, 6a-6c).

### ***Response to Arguments***

Applicant's arguments filed on 02/12/04 have been fully considered but they are not persuasive. Applicant argues that Chang (5,419,766) does not disclose either a crimp or an enlarged portion. Examiner respectfully disagrees. Please see labeled figure below for illustration of the crimp.

Applicant argues that the oval-shaped item in the prior art is reference number 17 and is the gasket. Examiner respectfully disagrees. Reference number 17 labels a narrowed portion of the tip protector, not the gasket (Column 5, Lines 29-33)

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
